

TripRace—Help travel decisions

1

- Identify the Problem
- Group travel often leads to disagreements and planning delays.

2

- Innovative Solution
- A mobile social game that transforms travel planning into a fun and efficient decision-making experience.

3

- How It Works
- Players race, avoid obstacles, and collect stars representing preferred travel options.

4

- Smart Voting System
- Shared preferences are tallied and weighted by performance to determine group consensus.

5

- Benefits
- Saves time, reduces conflicts, and enhances collaboration and enjoyment in group travel.
- Making group travel planning seamless, engaging, and socially connected.
